- On the day of Counselling, the candidate is required to report at NIFT Campus Srinagar at 9.30 a.m. for verification of documents and allotment of seats. The original documents would be returned after due verification. Please note that the presence of the candidate at any of the NIFT Campuses along with the requisite documents in original is mandatory. In case, the candidate fails to attend the Counselling session, it will be presumed that he/she is not interested in NIFT's offer of admission and therefore will not be eligible for admission. He / she would be called in order of the merit rank and offered the seat available at that point of time.
- After verification of the documents, allocation of seats will take place. Candidates are advised to be present in the Counselling hall and wait for their call in order of their merit rank. If a candidate is found unavailable when called, the next candidate on the merit rank would be called for allotment of seat and the unavailable candidate may miss his/her chance of merit based seat allotment.
- A candidate who is allotted a seat will be required to pay the notified fee immediately at the counselling campus. If a candidate fails to pay the fee, after the seat has been offered, the offer will be withdrawn and the seat will be allotted to the next candidate on the merit list. Part payment or payment through cash/cheque will not be accepted under any circumstances.

- A candidate, who fails to appear in person at the counselling venue, shall forfeit his/her claim for the seat as per his/her merit rank.
- Candidates should ensure that they fulfill all the eligibility requirements mentioned in the Prospectus before they report for Counselling.
- All candidates would be called for Counselling as per their Common Merit Rank and admission will be strictly on merit. Once the seats in a particular category are filled up, there will be no further admission to that particular category. Candidates will then be called for Counselling for the category in which seats are available.
